Dennis, Korinne, Seth, Jesse and Tia Holt are at a YWAM (Youth With A Mission) base in the nation of Georgia. Dennis is a RUTS member who used to live on Catalina Island but now resides wherever the Lord sends him. The money we donate will help with the Georgian School of Tomorrow, King's Kids Ministry and coordinating YWAM outreach teams spreading the Gospel in surrounding villages.

You can also help by sending up a little prayer on their behalf.
